

NORLEY, Louis H. Jr.

“Red” “Red Dog”

B: 18 June 1919 Conrad, MT

D: 1 August 1967 Oakland, CA

“...we dove down to about 3,000 feet where the 190 did a very tight climbing turn to port. I dropped 20 degree flaps and easily out turned him. We completed the turn, the 190 rolled and dove steeply toward the deck. I closed from 300 to 50 yards firing a couple of short bursts and the Jerry bailed out just before I pulled out of the dive.”
