

DIAMOND, Brack Jr.

B: 21 March 1923 Jenkins, KY

"I took my section down on the north side of the field...the planes were scattered in open fields and I didn't see any flak. On the first pass I hit an E/A and it blew up. On the second I hit another one and it blew up. On the third pass I got just a few strikes on the plane and it started burning slowly at first. As I pulled up to make an orbit of the field, I saw it blow up..." - from Brack Diamond's combat report, 13 SEP 44
