Unit: 335th Fighter Squadron

Aircraft:

N/A

4th Service: 19 December 1944 – 9 April 1945

9 APR 45 A/C struck by flak in left wing tank while strafing a dispersal area containing German aircraft SE of Munich. He pulled his Mustang up to about 400' then "dropped his wing and went out the right side" Though a chute was seen, his wingman noted "it was not fully opened when it reached the ground."
